36th Anniversary · Thai-French Innovation Institute King Mongkut's University of Technology North Bangkok

23–26 June 2026 · KMUTNB, Bangkok, Thailand

The Thai-French Innovation Institute, King Mongkut's University of Technology North Bangkok, is scheduled to host the 36th Anniversary of the Thai-French Innovation Institute under the theme "Towards a Low-Carbon and Renewable Energy Future."

The event aims to showcase the institute's research and innovations, strengthen collaboration with industry and partner networks, and provide opportunities for staff, students, and the general public to learn through various activities.

The event will feature exhibitions and innovation booths, seminars and special lectures by distinguished experts, networking activities, and a dinner reception, the TFII Partnership Appreciation Night, held to express gratitude to supporting partners.
